INTRODUCTION

As each fall season and every fallen leaf represents a passing year, so does each student by his gain in knowledge leave behind a trail of memories uniting him with bygone years.

Fall dramatically represents the beginning of the end, the beginning of a new season, yet the end of another; so it is with a school year. Winter, a continuation of unity, and Spring, the birth of nature, are each leading the way to a closed chapter of our lives – the first chapter of youth, education, and maturity.

As time rotates, so do seasons. This is natures gift to man. Likewise, a single life rotates from one chapter to another, closing the door on a small part of our lives.

"Pride" takes you back to your fondest memories, illustrating events which occured throughout the past year. Each section of "Pride" represents a series of events to be remembered. Therefore, this edition of our annual symbolizes a closing chapter in the lives of the 1961 graduating class.

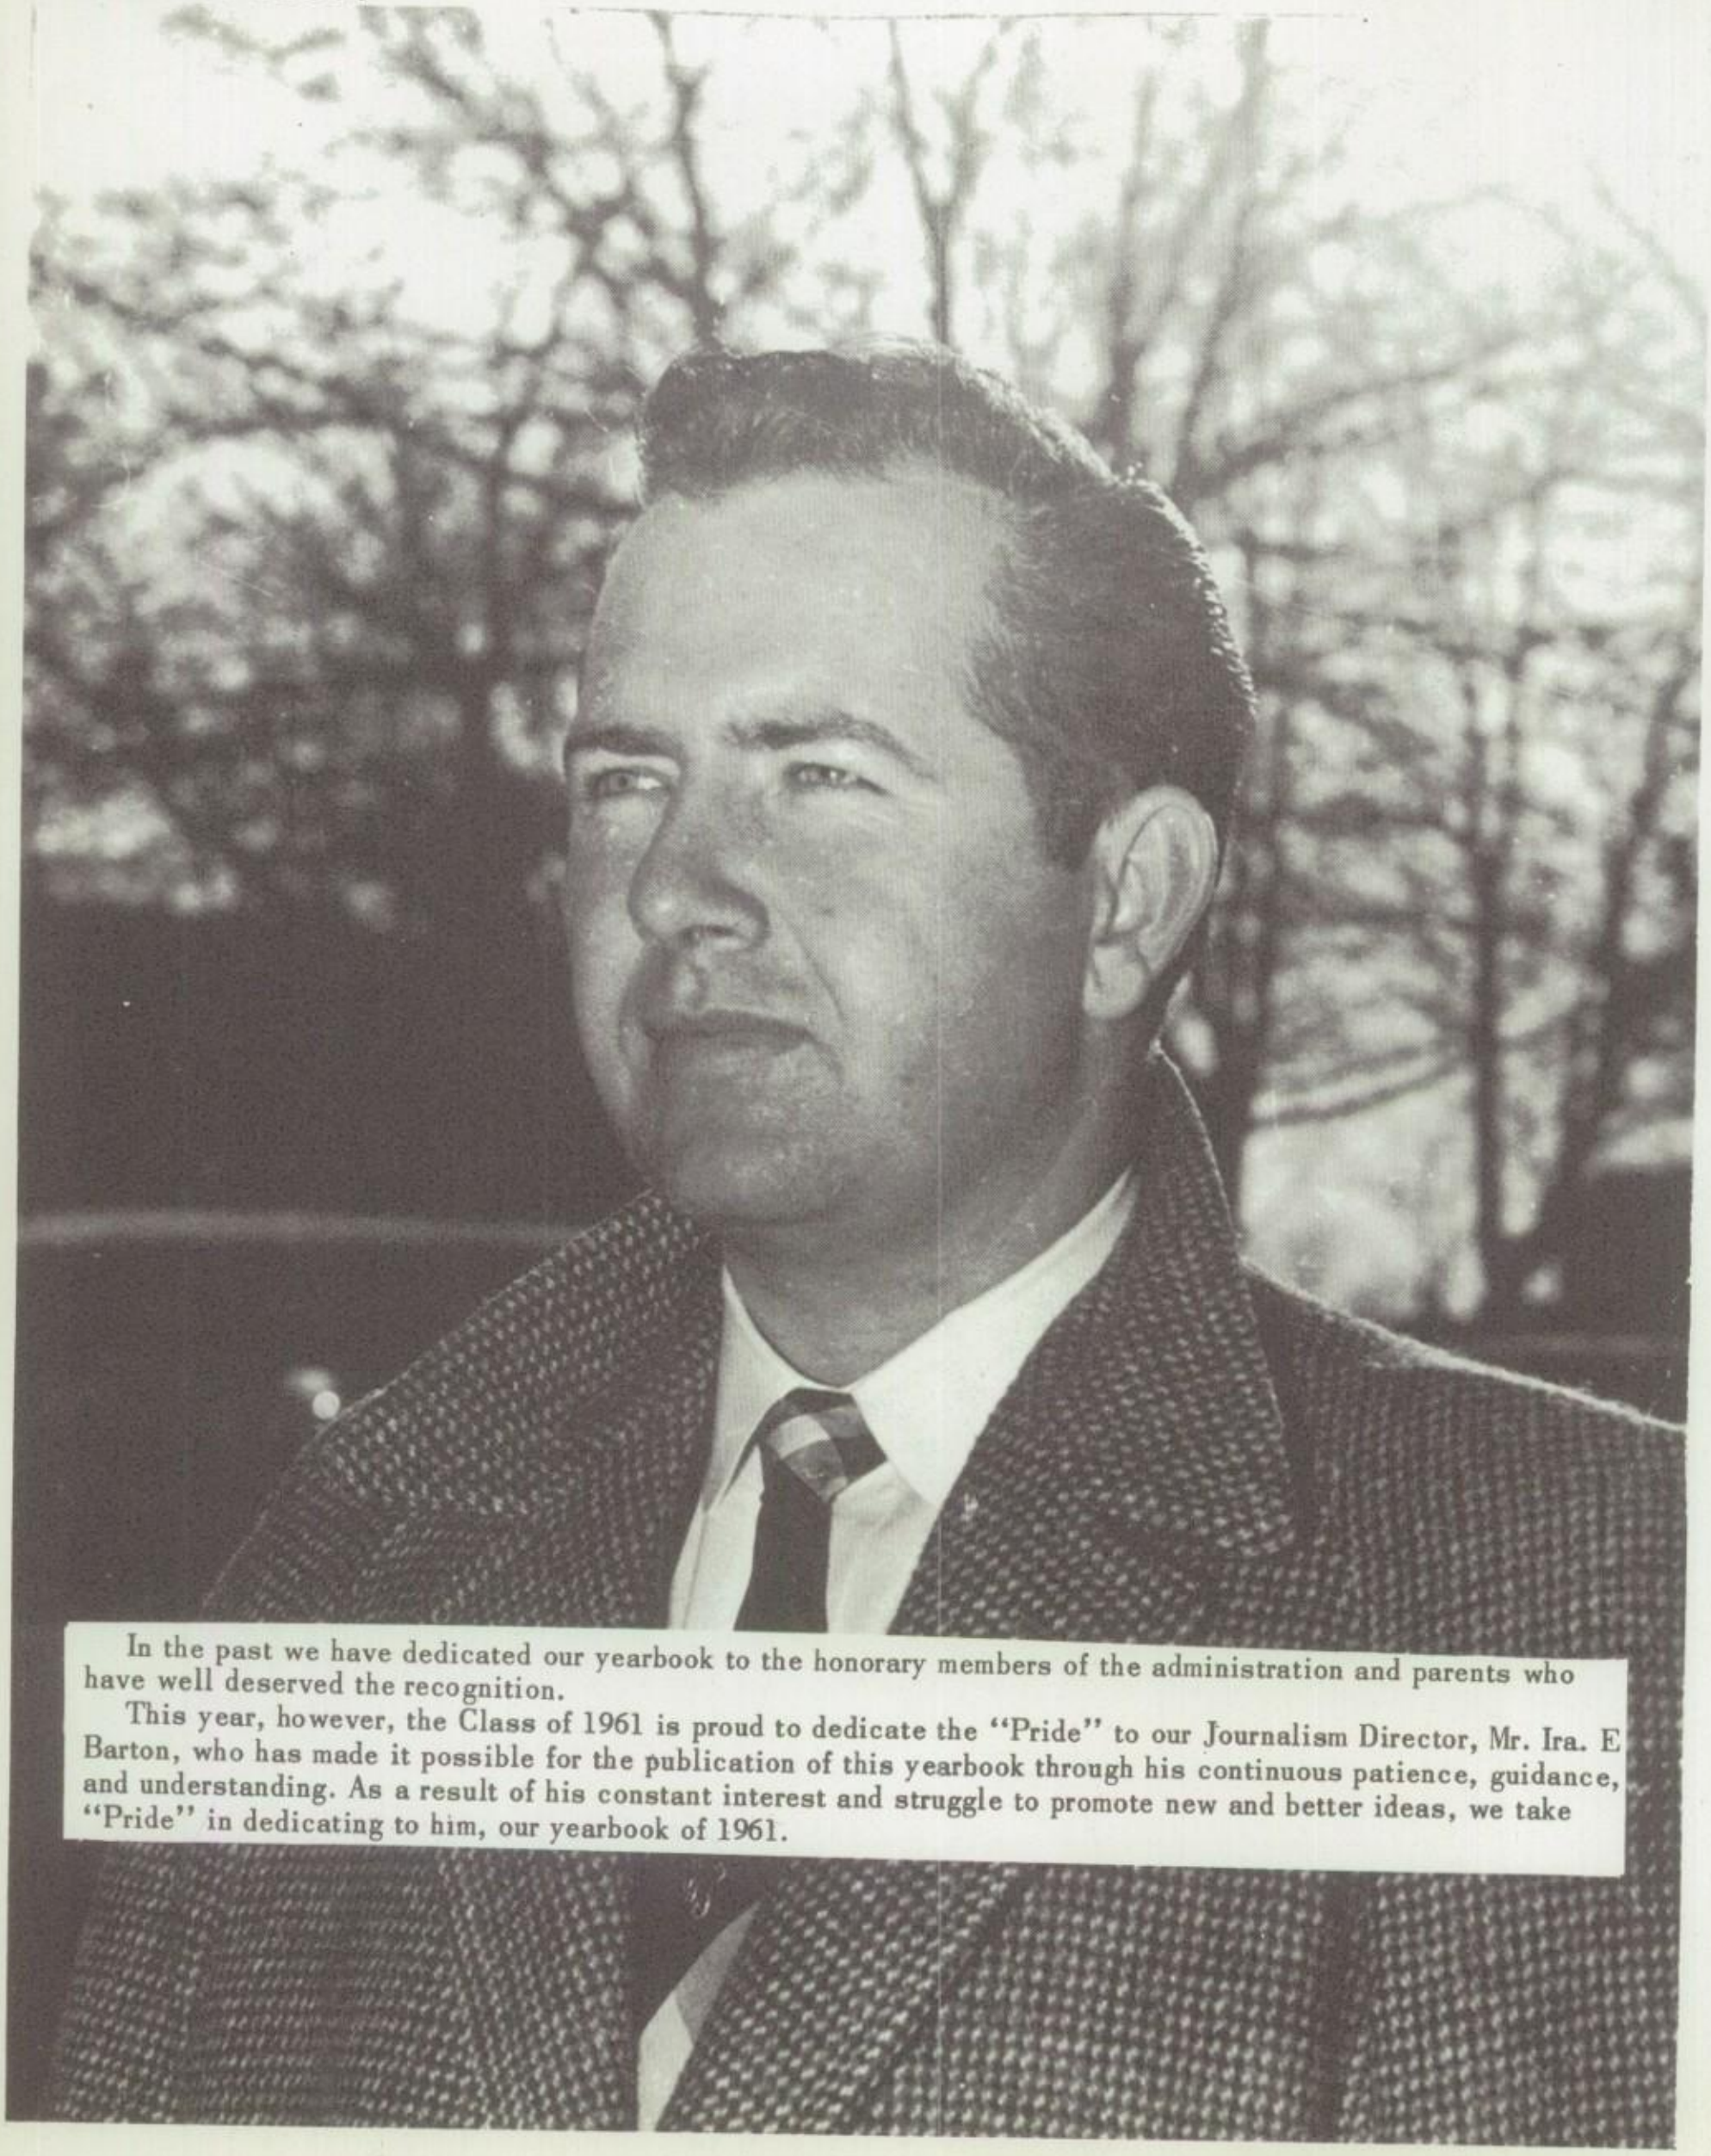
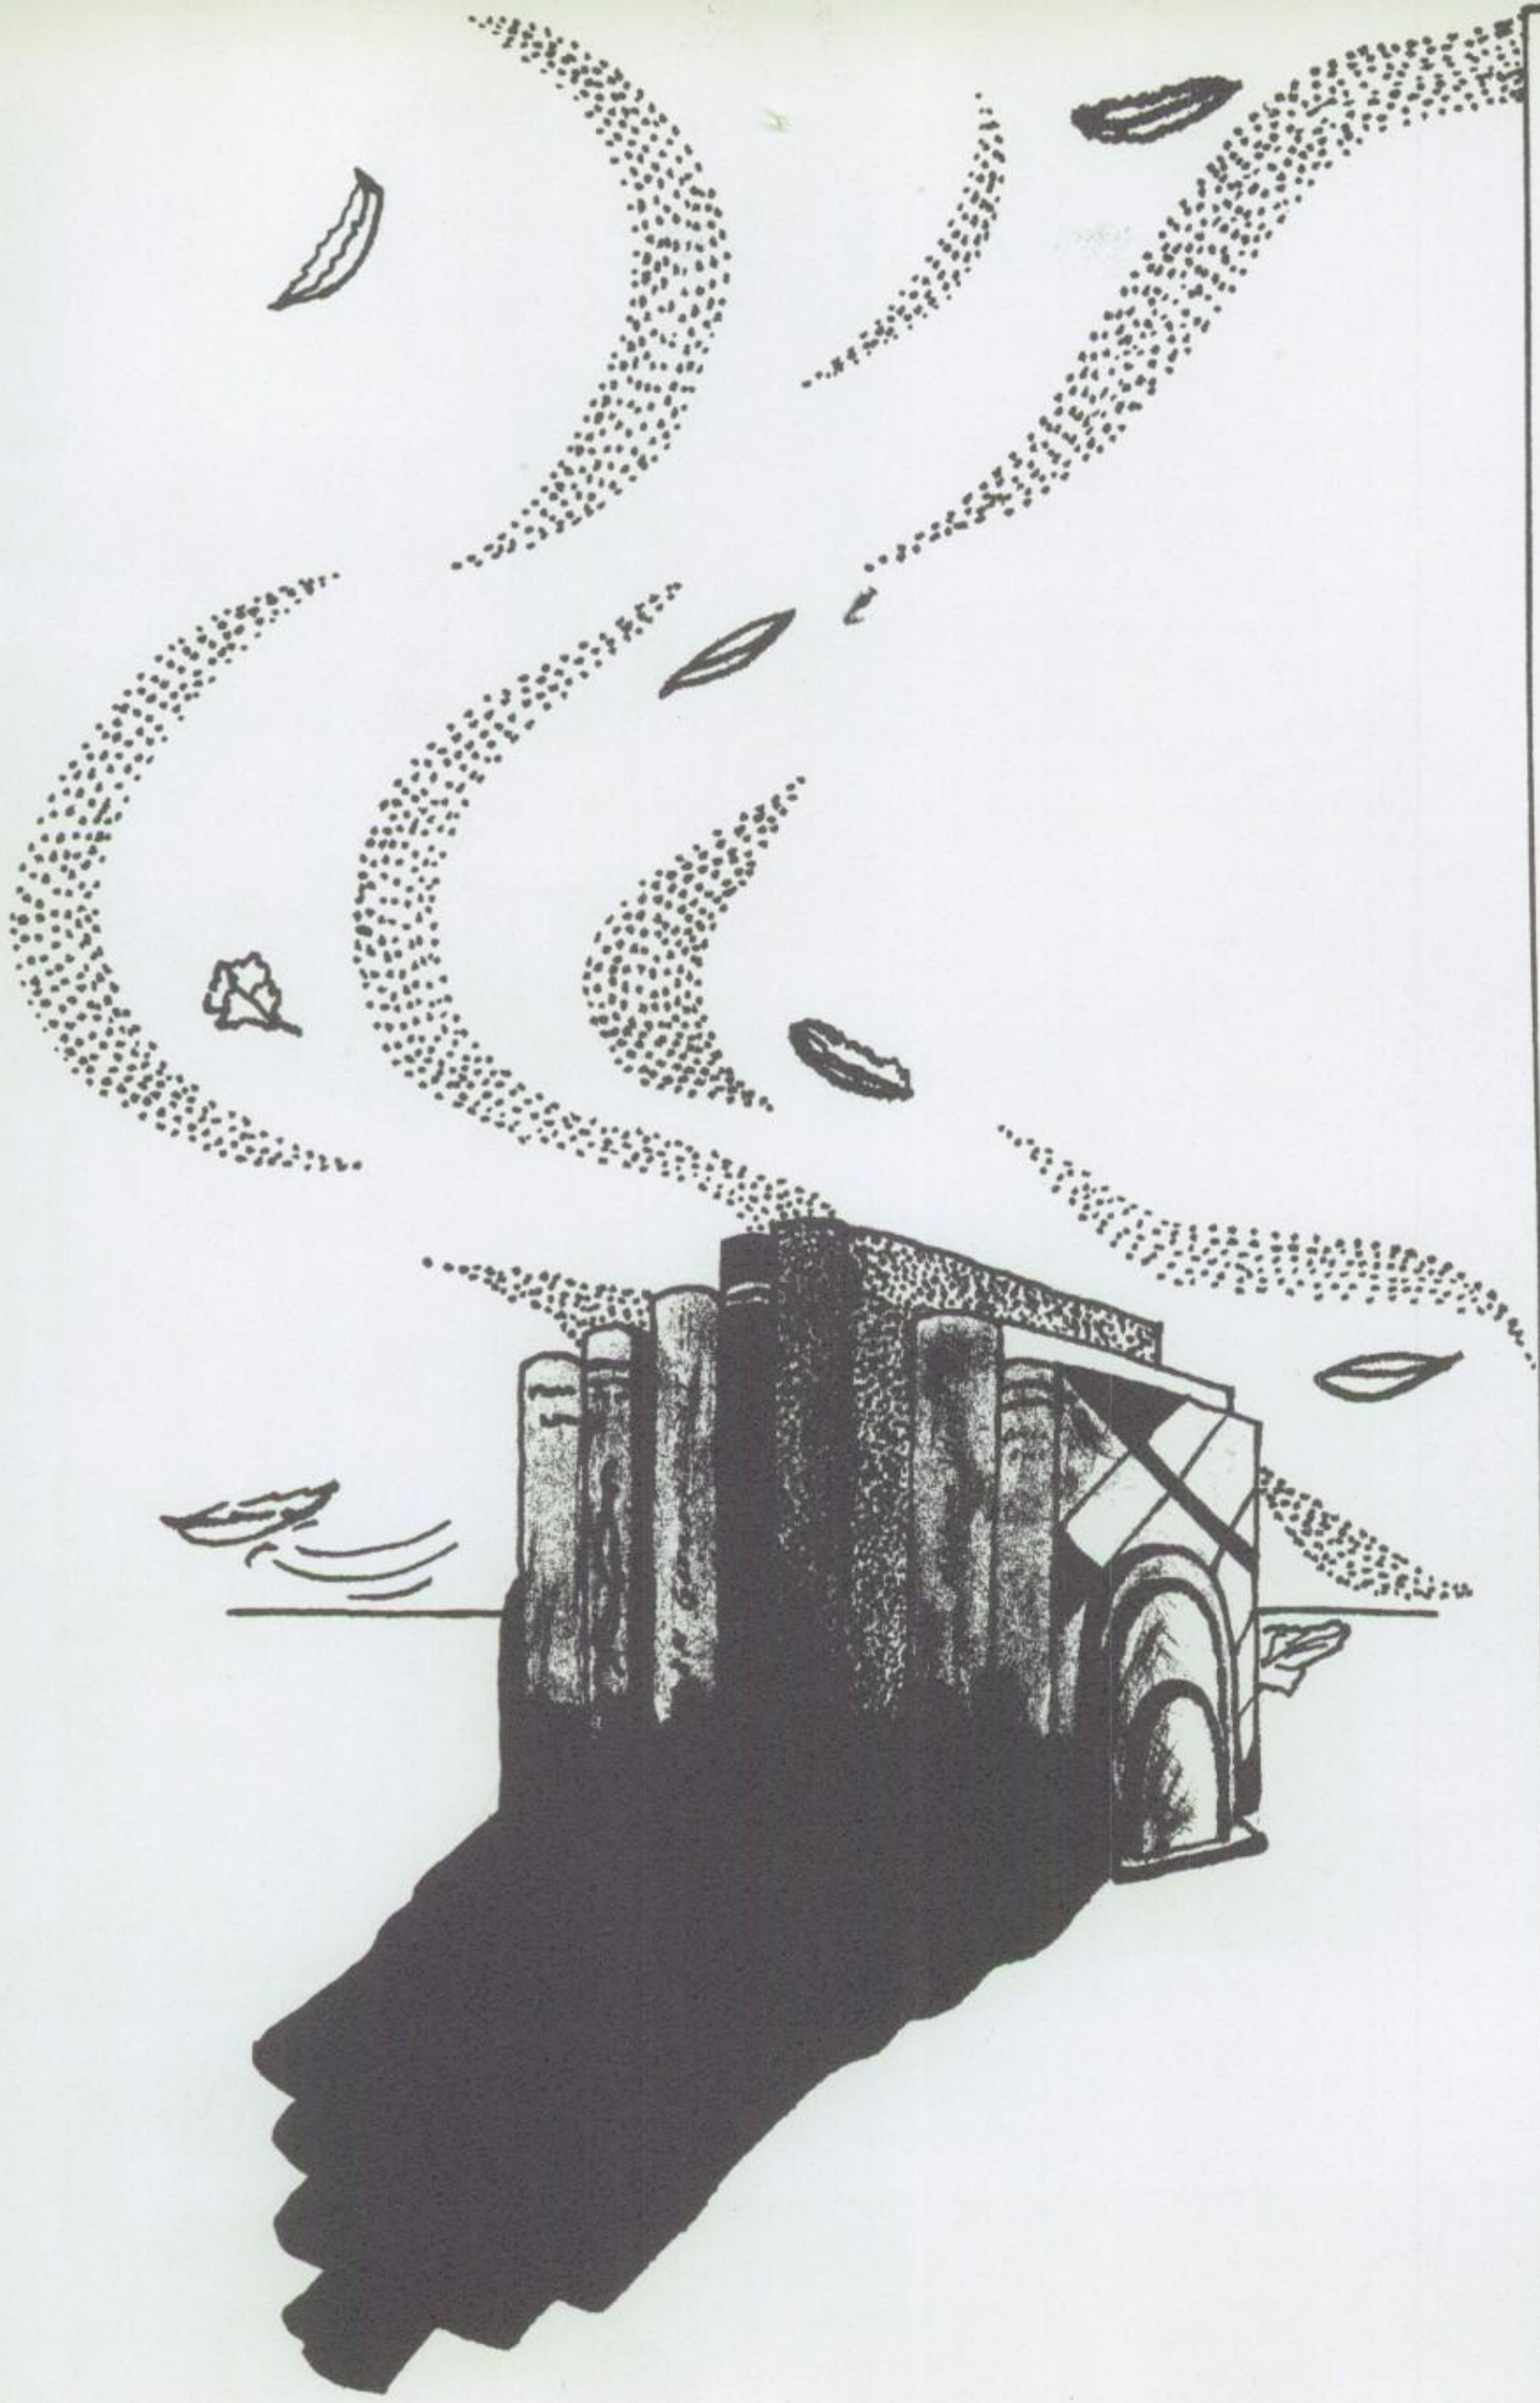
Dedication



In the past we have dedicated our yearbook to the honorary members of the administration and parents who have well deserved the recognition.

This year, however, the Class of 1961 is proud to dedicate the "Pride" to our Journalism Director, Mr. Ira. E Barton, who has made it possible for the publication of this yearbook through his continuous patience, guidance, and understanding. As a result of his constant interest and struggle to promote new and better ideas, we take "Pride" in dedicating to him, our yearbook of 1961.

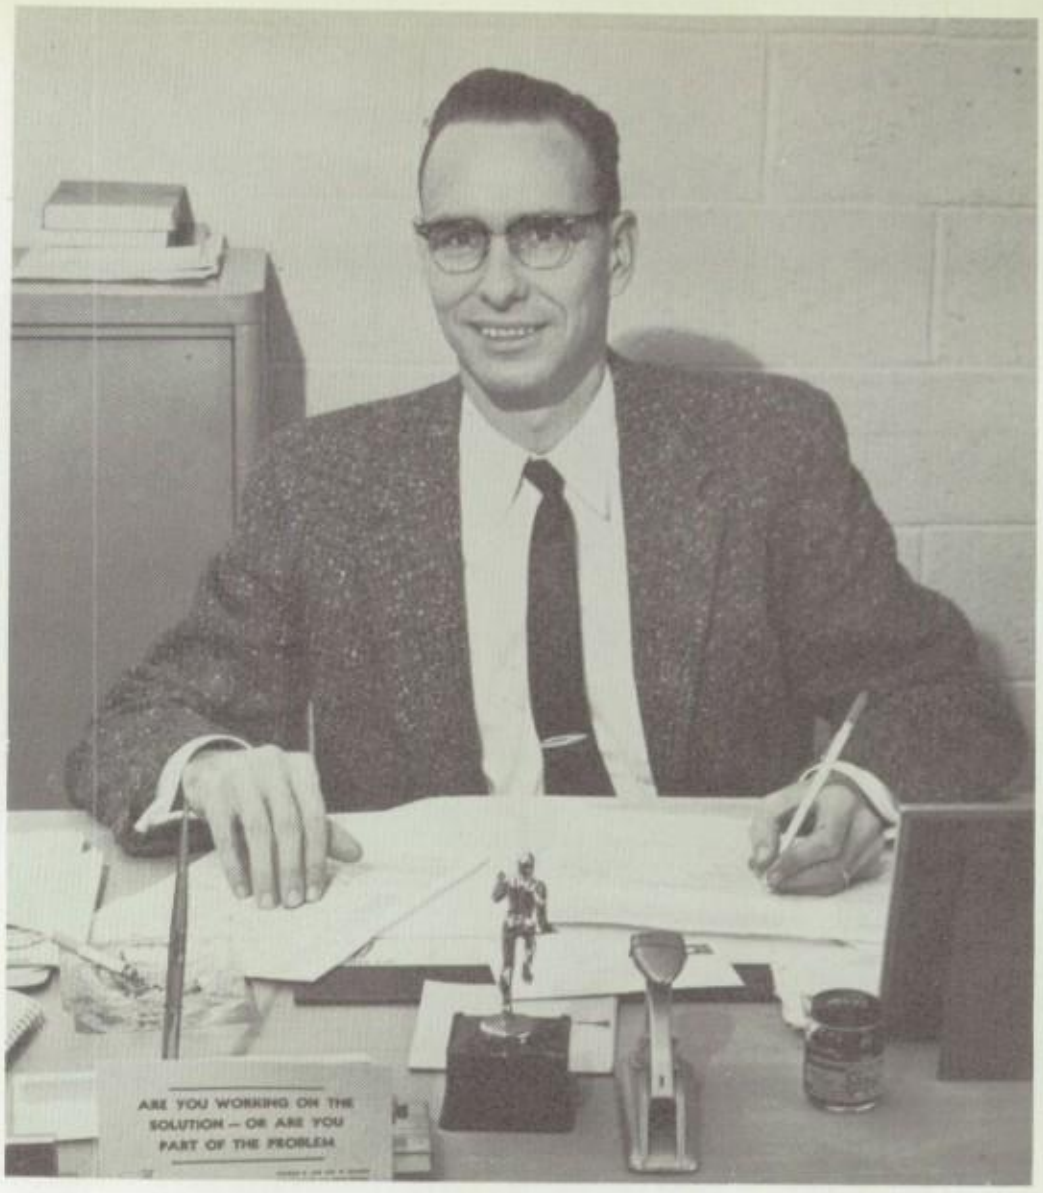
FACULTY



Administration and Faculty

Among the various important duties of a high school principal are those of curriculum development, supervision of faculty, management of finances, and representation of the school at secondary conventions. These and many others are handled efficiently by our principal, Mr. Bracken L. Snow. Mr. Snow's efficiency has developed in the many years of his experience in the field of education. He has served the Garden City School system as a teacher, as principal of Maplewood Elementary School, and as a member of the Central Office Administration before accepting his present appointment.

Mr. Snow says the class of '61 evidences a lot of potential and capacity, and he hopes the school has been effective in the development of these qualities.



A figure often seen in and around the halls of he high school is our Assistant Principal, Mr. Don Peterson. Due to his years of experience in eaching social studies and coaching sports and is ability to handle student personnel with tact, Ir. Peterson is well suited to his job. Before he ecame our Assistant Principal, Mr. Peterson erved in the same capacity at Vogel Jr. High.

From the viewpoint of Mr. Peterson, the class f '61 has accomplished a remarkable job of ma- uring in the past year, and he also hopes the tmosphere of the school will keep on improving s steadily as it has been.

This year, the Student Council revised the Constitution. They established a booth from which all organizations and classes could transact their sales project, thus eliminating the mass confusion during homerooms. They also purchased a ledger and filing cabinet to make the minutes of the meetings and projects available to future councils.

As a money-making project, the Student Council sponsored the "Beat'ionaire Affair." The proceeds were used to purchase shrubbery for the inner court of the school.

Senior Class Song

(Tune: Miss America)

Here we come, class of '61,
Here we come, full of joy.
The dreams of the million times that
we've spent together,
Times we've spent in a million pleasures.
We'll remember all our future days
remembering colors blue and gray.

Here we are, class of '61,
Here we are, full of hope.
With many ambitions
we'll take the town by storm
With the futures that are
beginning to form.
So here we are, bidding for destiny,
Hoping our dreams will be joyful and
complete.

Class Poem

Our Class of '61

Memories of our by-gone days
Could be forgotten by none,
Those victory shouts that sang the praise
Of the class of '61.

The past, it's true, has brought us tears
But many hours of fun.
This happiness to us endears
Our class of '61.

Our yesterdays have long since passed,
And high school days are done;
Now we're gathered for the last
As the class of '61.

When our laughter's but an echo,
When the shouts and cheers are done,
We'll remember from so long ago
Our class of '61.

Class of '61

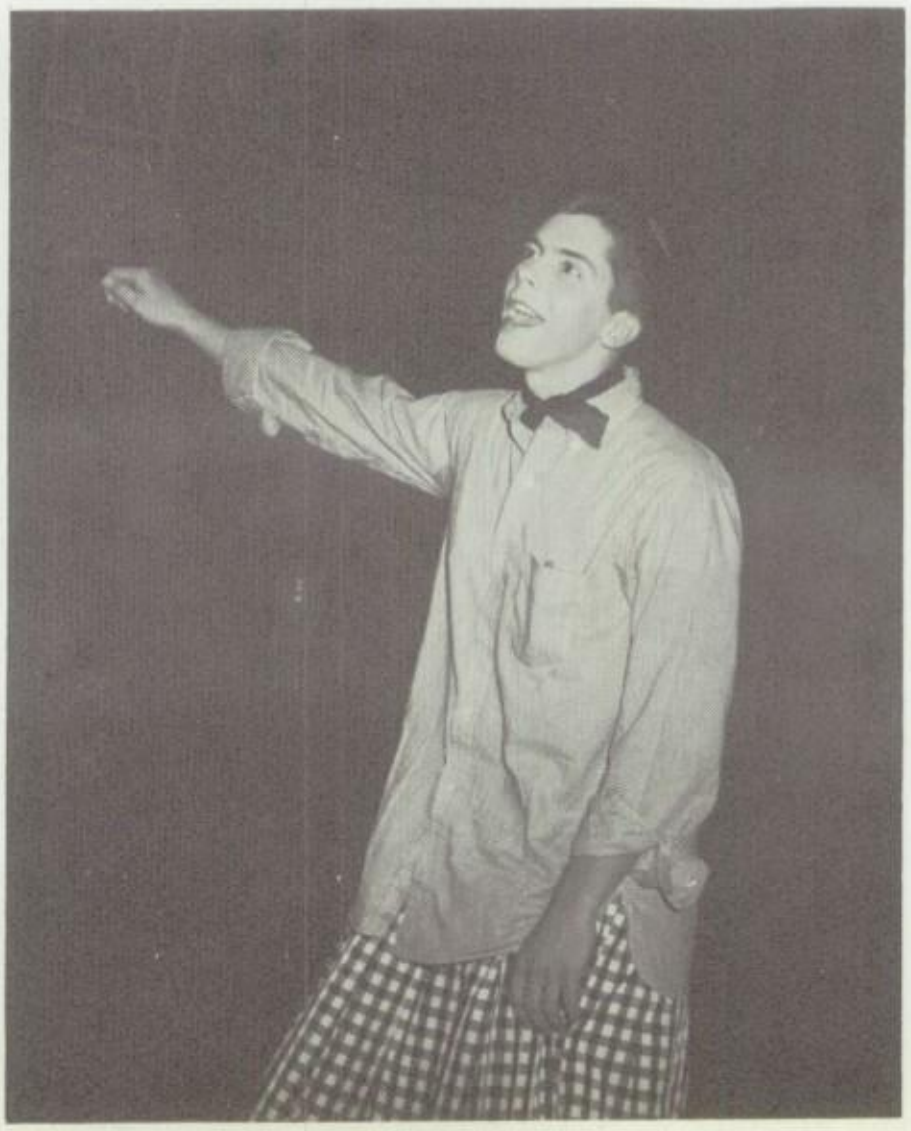
In their Sophomore year, the Class of '61 was prosperous largely because of the candy sale, an admirable beginning sending the bank balance over that of any other class recorded in the school's history. In addition to the candy sale, the proceeds from two dances, Soiree Enchantee and the Heartbeat Hop, featuring Clark Reed, a well-known disc jockey, increased the treasury.

Besides receiving class rings in their Junior year, the class sponsored a Christmas dance, the Junior prom, and a second candy sale. The success of the class play, "Nuts in May," was unequalled.

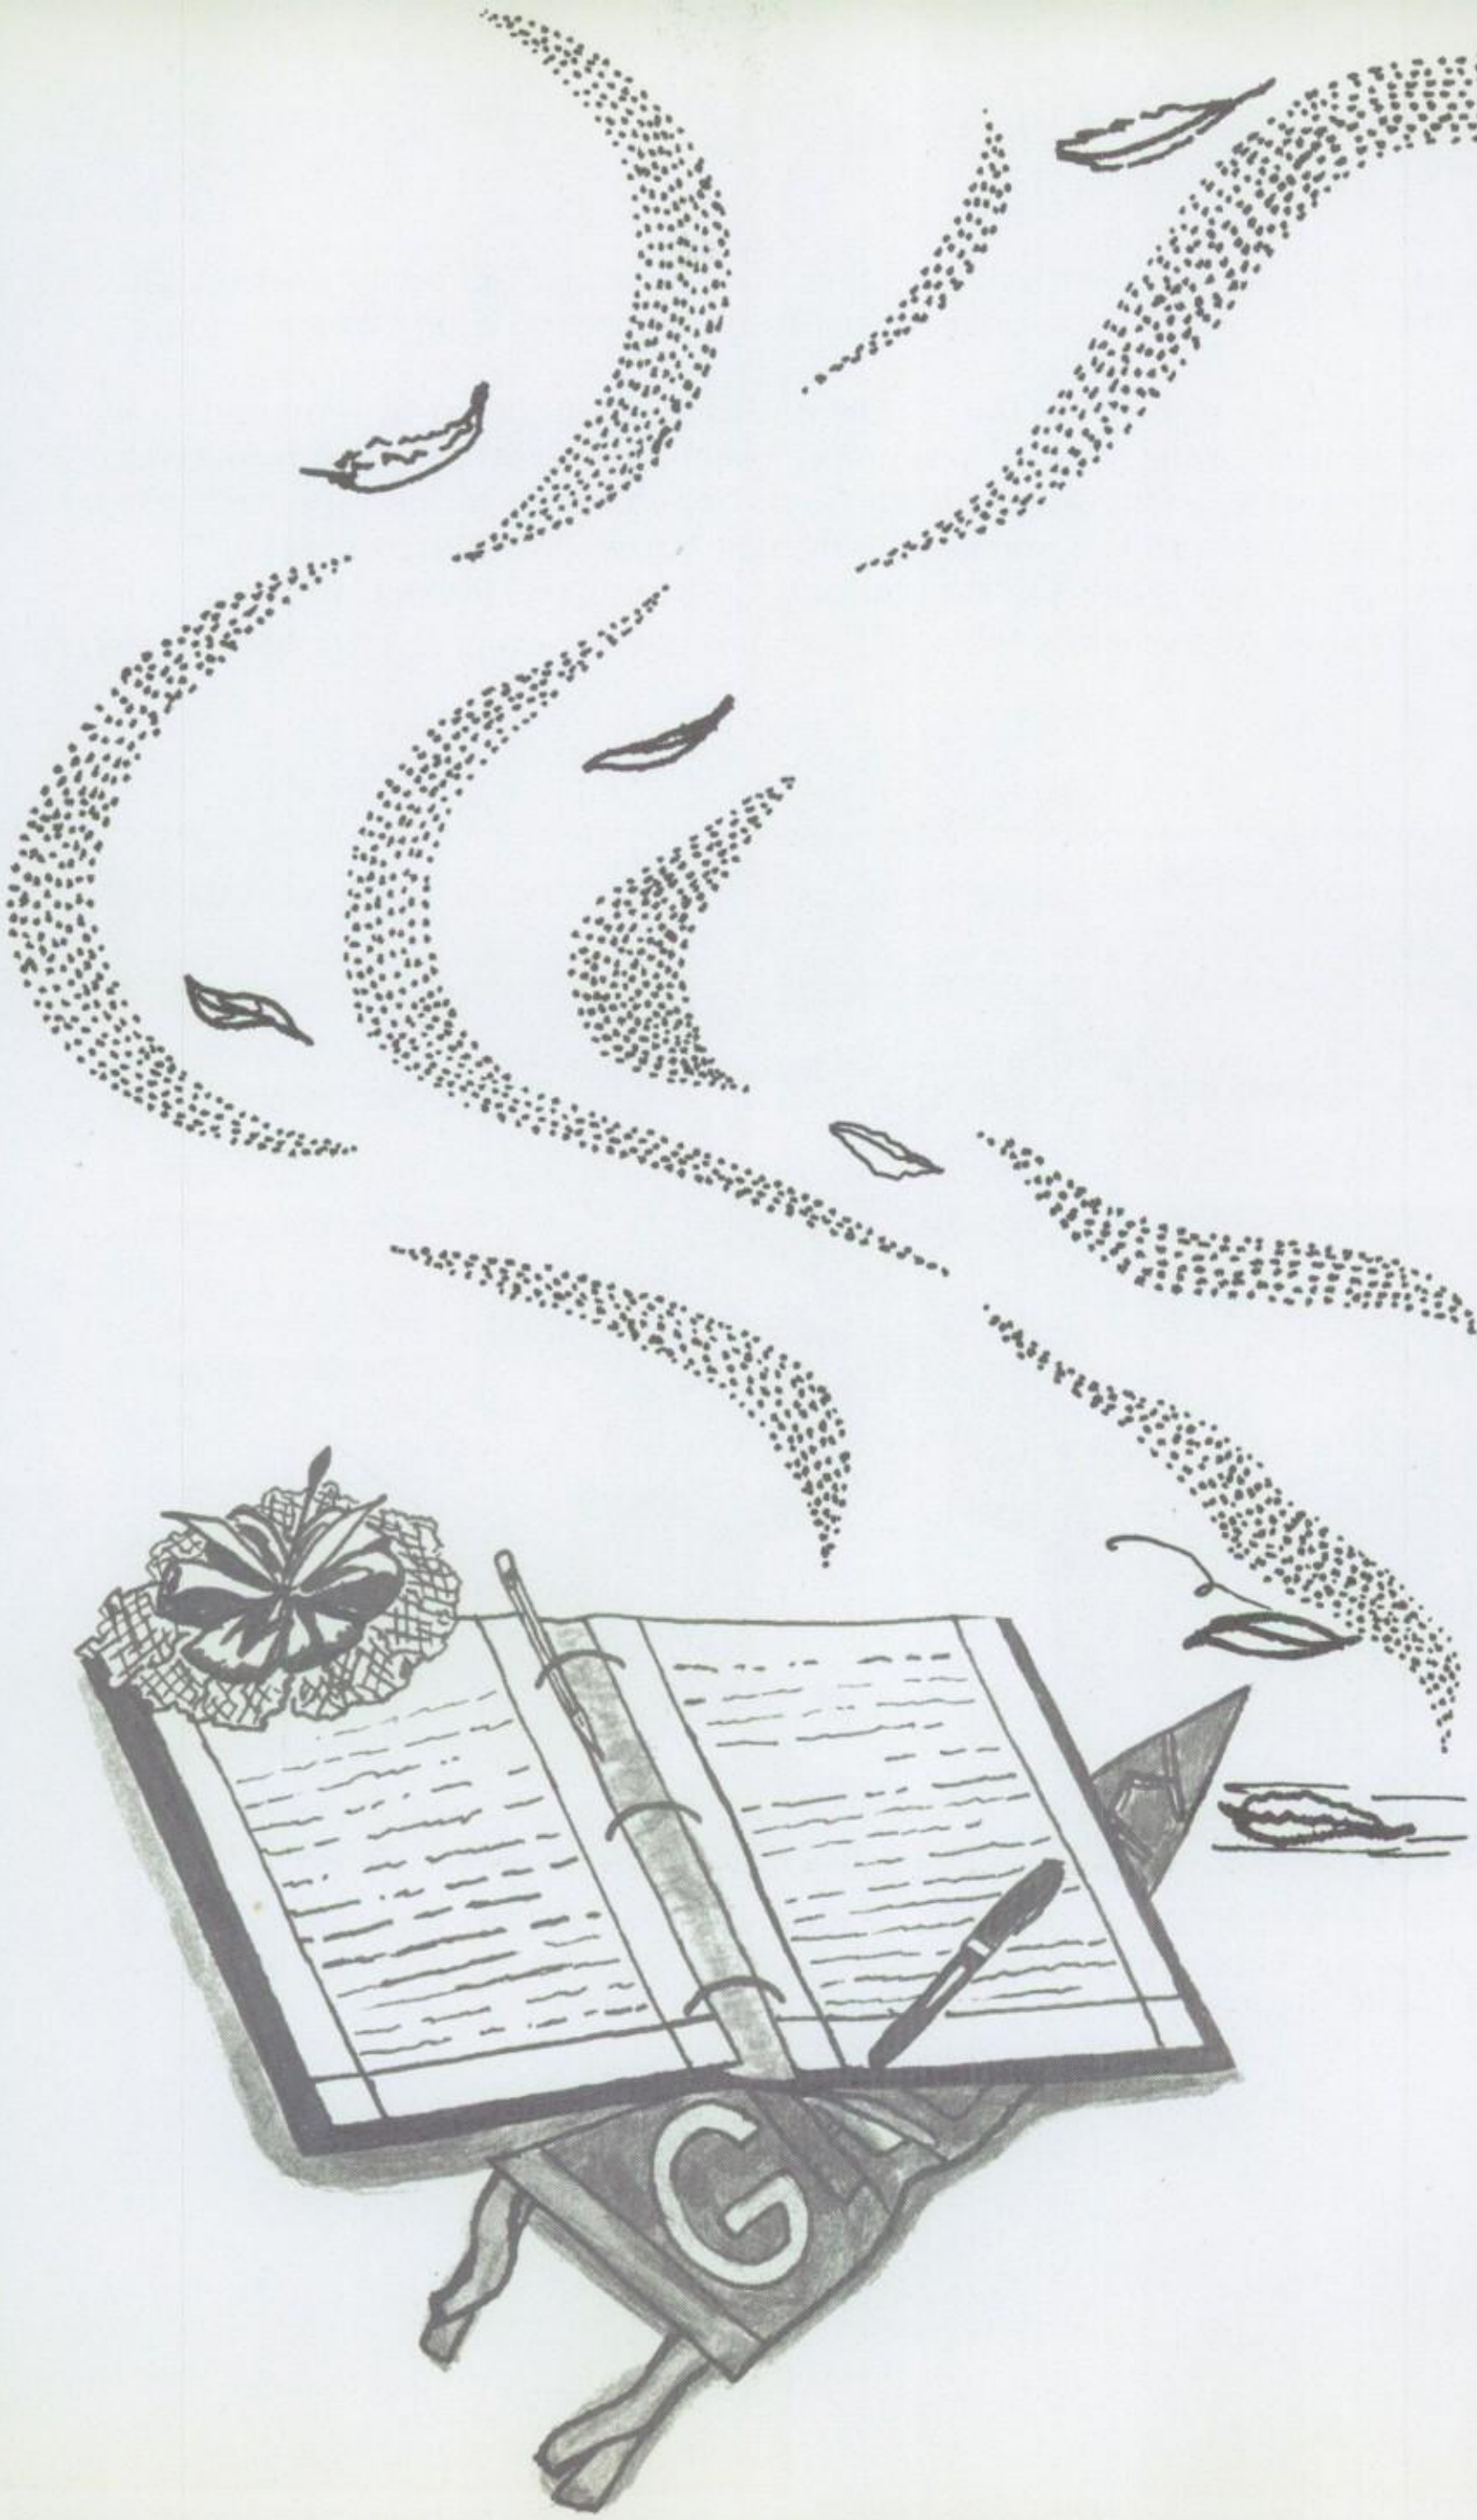
Since enough money to cover commencement and miscellaneous had been prevoiusly made, further money making projects in their Senior year were unnecessary. The Senior year affairs were highlighted by Homecoming festivities, including a prize winning float, and the Senior prom, a spectacular event at which Dave Martin's band and a vocalist named Jan Wyn entertained. Supplementary activities were another candy sale and the class play, "The Family Nobody Wanted", a comedy with a message.

The officers are as follows: (l-r) Jim Alcock, President; Joyce Mazzoni, Secretary: Ron Butkovich, Vice President; and Rose Podwoiski, Treasurer. The sponsors are (l-r) Mr. Reimer, Miss McClure, and Mr. Niland.

Junior Activities



JUNIORS



Class of '62

The Class of '62 looks back with pride upon their accomplishments during the past year. They began with a bounce when they sponsored a day at the trampolines.

Their entry of "High Hopes" in the Homecoming parade added to the spirit and joy of a perfect Homecoming. At Christmas, they took another step forward to accomplish two projects. One was selling Christmas trees, which proved very profitable, and the other was the annual Christmas dance "Mistletoe Magic."

It has truly been a busy year for the juniors, with rings, plays, proms, and dreams of the year to come when they will become seniors and the "pride" of '62.

The class officers are (standing) Mrs. Pade, and Mr. Riley, sponsors, and (sitting) Jim Koscis, Treasurer; Linda Foster, Vice President; Jim Lenic, secretary. Missing is Sandra Fulton, President.

Junior Play

"Down to Earth," the junior class play, was a comedy fantasy about three angels who came down to earth, seeking mortals to take back with them. One angel complicated things by playing Cupid, and his antics almost stranded the angels on Earth.

As the play had not been presented before the annual deadline, there are pictures of the try-outs only.

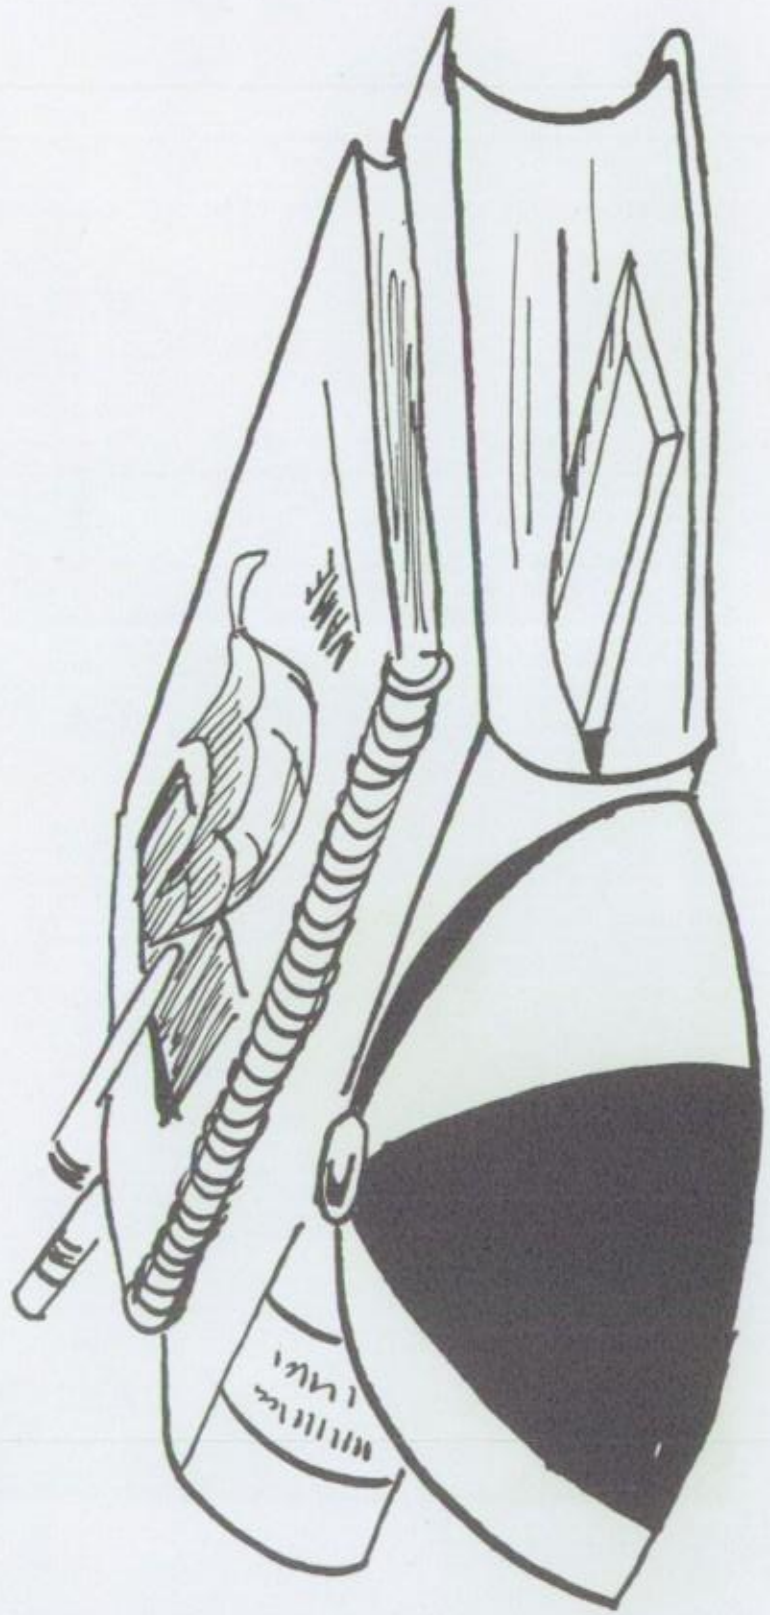
Sophomore Activities

ᓴᓂᐹᓂᐢᑲᓐ

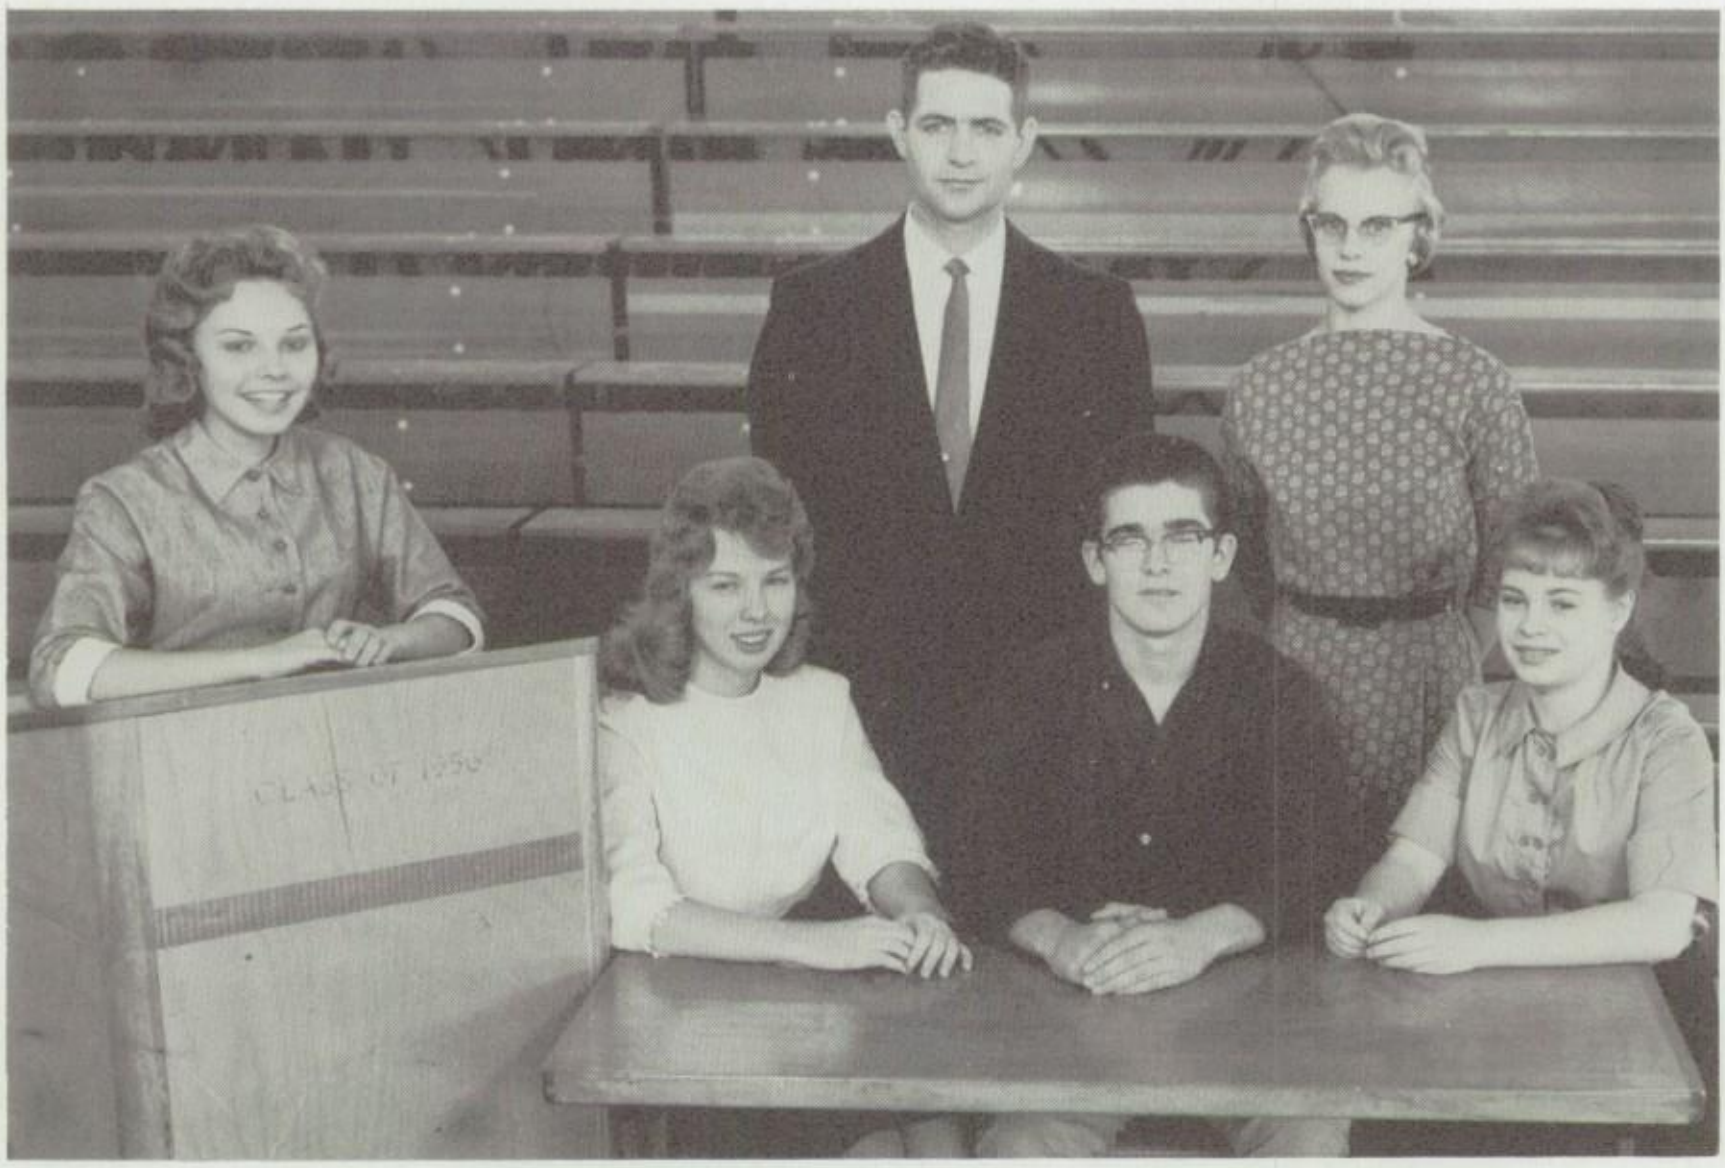


Class of '63

After completing their sophomore year, the Class of '63 can look backward to fond memories but forward to two more successful years.

The first all-school activity of the year was Homecoming and its festivities. One evening before the parade, the sophomore class had a scavenger hunt to collect needed materials. The students went door to door collecting paint, kleenex, table napkins, yarn, cord, chicken wire, cardboard boxes, and frequently apples.

This year a point system was set up to the benefit of the class. After lengthy discussions and debates, a vote was taken. It was passed by a majority. This has been one of the most important events of the school year as the system itself will continue throughout the two remaining school years.



With the generous help from Mrs. Carey and Mr. Croll, and the leadership of the officers, Pat Suuppi, Judy Quinn, Tom Butkovich, and Karen Leist, the class sold pins to the entire student body and held the annual basketball dance following the basketball season on Friday, March 17. The theme of the dance was done on regards to St. Patrick's Day and traditions.

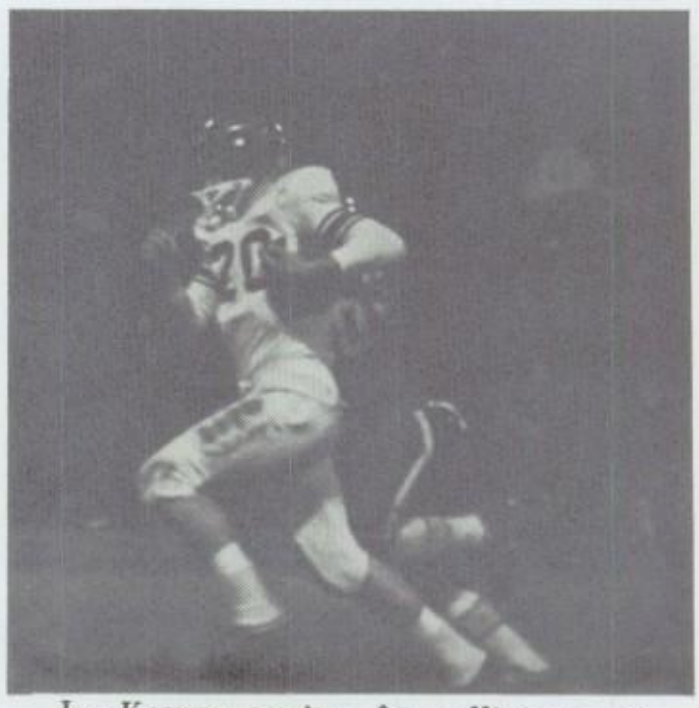
Backfield carries through with fake.

Climaxing a long summer work-out and a strenuous two weeks of after-school practice, Coach Wilson and his well conditioned team claimed their first victory of the season by defeating an old rival, Dearborn Lowrey. Although the game was a non-league contest, our gridders looked good with their highly competitive spirit which definitely raised the team's morale.



Joe Kottyan sprints for sufficient gain.

Holding off the Viking's attack in the last 40 seconds, Garden City finally claimed their 2nd consecutive victory by deflecting a potential touchdown pass thrown by Schaffer. Although it was a victory for the Panthers, Schaffer proved to be an able opponent as Garden City played before nine hundred fans in their first league game of the year.

Garden City 25
Inkster Roosevelt 13

Winning the third game in succession, the Garden City Panthers thoroughly beat Inkster Roosevelt. The individual star was senior Joe Kottyan, who scored three touchdowns and one extra point, while Dennis Duffie scored the other point-getter. The game was highlighted by the ejection of halfback Ron Bechtol, which added new spirit to the team to carry them for the rest of the game.

Dennis Duffie picks up block.

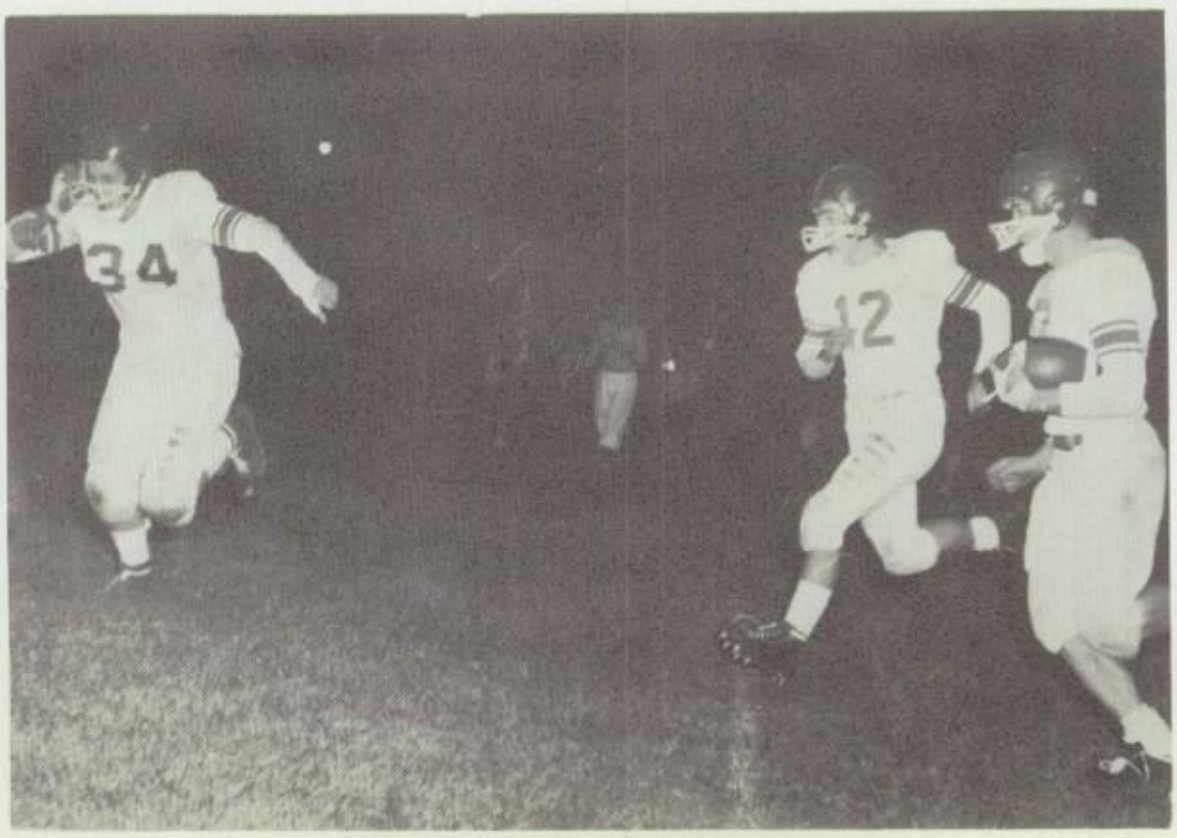
Thurston end stomped after short gain.

Garden City 19
Thurston 28

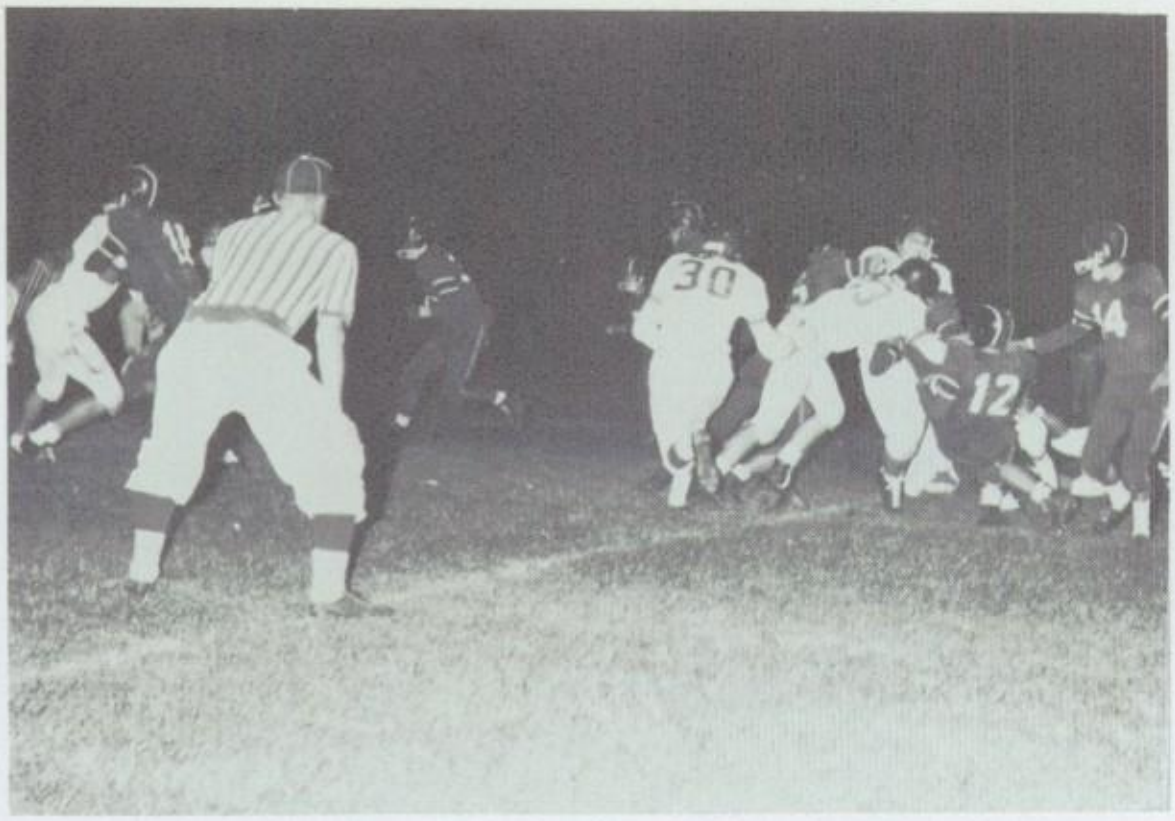
Because of a lack of pass defense and extra points, Garden City yielded their first season loss to Thurston. Although we were in contention throughout the game, a lack of extra points gave Thurston a three point edge. There was the hope among the Panther fans, that if they had won this game, we might have had a chance for the Mid-Wayne League title; but this hope soon diminished as Thurston's strong passing team clinched a much worked for victory.

Garden City 13
Taylor Center 20

This was the second loss in a row for the Garden City gridders, giving them a 3-2 overall record and a 2-2 league record. Taylor Center got the break they were looking for in the last half of the fourth period. Garden City had stiffened their defense and quieted the Ram's offensive endeavors in the second half, but the Rams picked up a first down with the aid of a fifteen yard penalty. On the next play, Forest Bone, star back for Thurston, gained the winning touchdown.



Wilkes, Rollings pave way for Kottyan.



GC line stops Riverview back.

Garden City 6
Riverview 33

The Mid-Wayne League's best visited Garden City for our Homecoming game as the Panthers were defeated by a powerful Riverview squad. To the surprise of the hopeful fans, the Panthers struck first with a well- executed 61 yard TD pass from Roger Wilkes to Ron Bechtol; but the moment of glee was short-lived as Dennis Collins returned the kick-off all the way for Riverview's first score.

Garden City 13
Madison 26

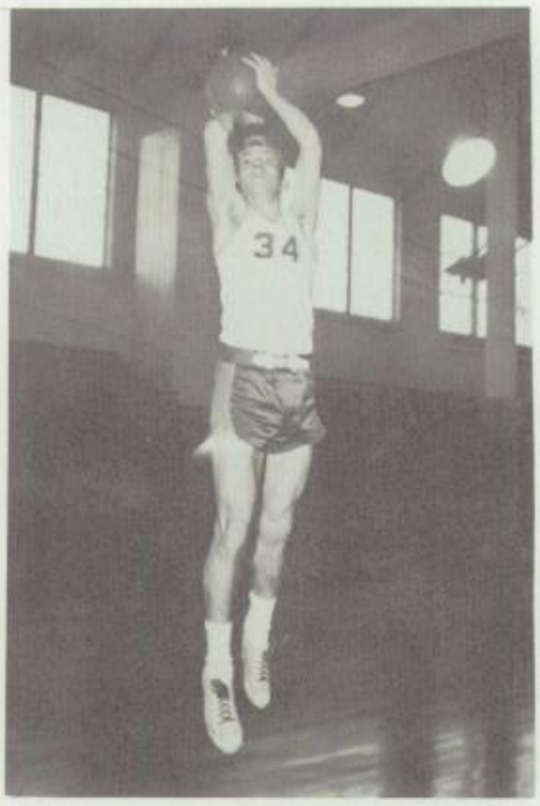
The Panthers were dealt their fourth straight defeat of the season as Madison Heights rolled by them 26-13. Several starters were ineligible and the bench was unable to fill the gap. The first half score 19-0 in favor of Madison, was the deciding factor. Garden City scored on a pass from Roger Wilkes to Ed Zakrzewski. Wilkes scored the extra point. This was the seventh game in which Bechtol scored.

Touchdown for Madison.

Kottyan sweeps end.

Garden City 28
Inkster 6

Closing out the season, Garden City compiled a 4-4 record by gaining an expected victory over their defenseless opponent, Inkster. This game marked the last time that Coach Wilson would stand on the sidelines shouting instructions to his seniors on the squad, including such names as Ron Bechtol, Jim Breckenridge, Roger Wilkes, Dennis Duffie, Joe Kottyan, Sam Weaver, Tim Taft, and Bill Brown. Picking up the TD's in this last encounter was Ron Bechtol, who scored three extra points.



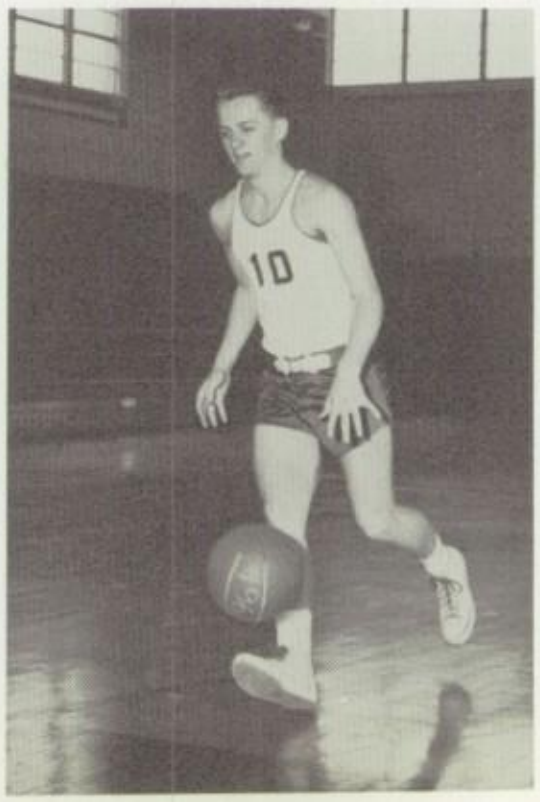
Roger Wilkes was the mainstay for the basketball team this season, as he led the squad in average points scored per game. Roger was also the quarterback for the football team and went out for baseball.

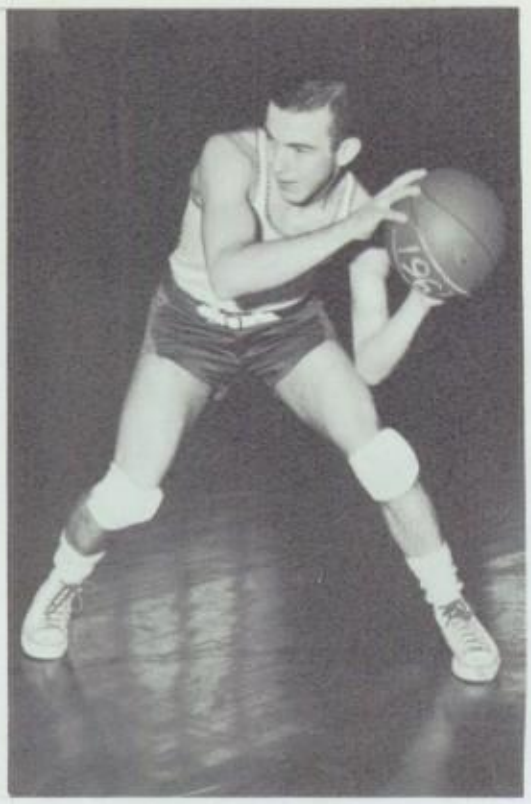
Ron Bechtol was chosen on the 1st halfback position on the Mid-Wayne League team. Ron scored 12 touchdowns in seven games.

GC'S TOP

Mike Felts was this year's AAU Cross-Country Champion as he gained his title at the Warren Valley Country Club on the 26th of November.

Dean Underwood, last year's athlete of the year, returned to action again this year as Co-captain of the Cross-Country and Basketball teams and southpaw for baseball team.





Dennis Duffie is another player with variable skills as he quarterbacked the football team, played guard for the basketball five, and second base for the Panther's nine.

Ed Zakrzewski was the solid backstop for the Panther's nine and continual performer with glove and bat. Ed was also an end on the football squad and went out for basketball.

ATHLETES

Two of the outstanding wrestlers are Fred Novess and Russell Gardner. Both boys were sent to Ann Arbor to compete for State titles.

Another football player receiving a berth on the Mid-Wayne League team was Jim Breckinridge, star offensive and defensive tackle for the GC 11.

Varsity Basketball

(First row, left to right): Larry Grant, Mr. Bartlo, Ed Mentell. (Second row, left to right): Ed Peters, Randy Bangart, Jim Porth, Roger Wilkes, Joe Kotyan, Mike Brown, Bill Brown, Jim Lenick, Dick Kitzman, Gordon Silver, Dean Underwood, Dennis Duffie.

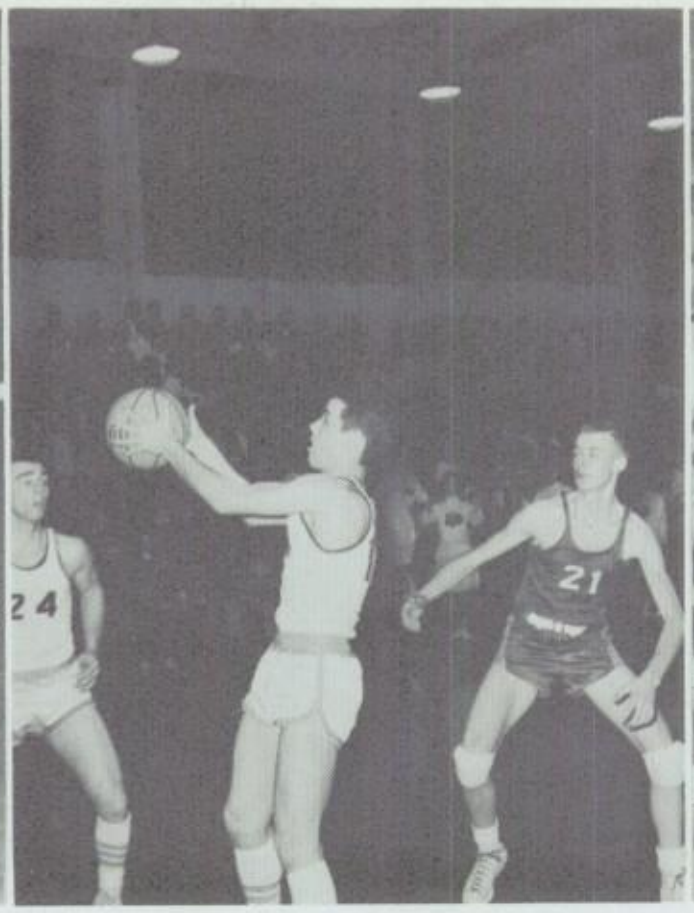
* League game 1-15



Although the Panther five went through another losing season, they never once quit fighting, even when they knew their opponents outclassed them. On many occasions they were behind at half-time but continued fighting to the very end. At other times, even though they were overpowered, the cagers still fought courageously, only to lose by a few points.

The prime example was GC's encounter with Taylor Center, last years Mid-Wayne League's champions. After leading at the half by two points, the Panthers finally yielded the loss by six points in a hard fought contest.

However, this brilliant desire to outdo their foe soon found its reward as the cagers snapped their losing streak by defeating Lutheran West, 60-48 in a non-league contest.

The hoopsters then went down in defeat to Riverview, Robichaud, and Dearborn Lowrey. Continuing their determination to undermine their foe, the Panthers were just barely outscored by Thurston, 63-55, and then closed out the season by losing to Inkster and Schafer.

This season the GC nine employed a new 17 game schedule, a surplus of 3 games from last year. Included in this 17 game trip were 3 night games, which added variety to the season.

Altogether, the Panthers played eight home games against such foes as Thurston, Inkster, Lutheran, Lowery, Taylor Center, Schafer, Roosevelt and Riverview. All home encounters were returned, making for a total of eight road games also.

1961 was a year of experience for the Panther's baseball team, as there were 14 seniors on the varsity squad; which was the highest percentage of seniors on a team during Coach Kulazenka's coaching career.

The Valedictorian of the class of '61 is Brian Mohr. Throughout his high school years, Brian has maintained an "A" average in order to achieve this great honor. Brian has held a part-time job this year, also. After graduation he plans to attend the University of Michigan and become a doctor.

This year there are two Salutatorians as Dennis Duffie and Billie Blunk both maintained the required grade average.

Dennis has had an "A" average throughout high school. Besides having this remarkable average, he is Vice-President of the National Honor Society; Varsity Club Secretary; has participated in the three major sports of football, basketball, and baseball; and likes to trip people in his English class. Dennis plans to go to Michigan State University and major in electrical engineering.

Billie Blunk is also a very active senior. Although she is Secretary of the National Honor Society; a majorette in the band; Secretary of Band Council; and a member of the Spanish Club, she still has maintained a straight "A" average. When she graduates, Billie plans to attend Henry Ford Community College and become a nurse.
